Don't just stand there gawking!
Ha! Are you kidding me? I put it six million for you!
Wouldn't it have been better to go ahead without waiting for me?
Aha, don't sorrow with me. You aren't even a bit concerned
I'm sure you have a back-up plan
Shahal Are you that reluctant to lose it to him?
Kneto go up to him because of that!

I wonder which way is more fun~?
Pixie Switch
The searching corps use this kind of magic.
What's wrong with her and this magic?
This must be some kind of defective magic
Even so, it's pretty powerful mag a
Pixie Switch is a path finding magic
It ne takes a detour with a lively mood and t turns out to be a better route

Where?
Hmm... how is it?
Right here, as always
Records here is a classroom. Just break down the wall in there
Ah, I found a really interesting place
This is the shortest route to the schoolyard
Switch to trap detection magic now
Ok, well done!
トン
This wall seems thick
Should we cut it or make a hole?
トン
Leave it to me!
Okay!

Ok then
I'll make a hole
Hmm
I think a hole should be fine
I'm not sure... but if we make a hole it will become a choke point for us..
Are they the bears?
Please stash it There are three enemies on the other side
If it's the same level as the last enemies..
I can take care of the defense
Make a hole
Super Jet's

Oh

You're really slacking off
Haha, at home I'm actually a NEET
I'm really regretting buying cards a lazy person for 6 million

Isn't that just repeating yourself?
That's the exact same.
Kinda rhymes.
It sounds like magic from a cursed song
but normal civil servants aren't given access to "Hexaphoria Fuse"
...Hey Shiro, wait a second.

It's closer to the gate from this window!
We need to hurry!
We've made it to the infirmary!
Damn it! Gunyou's already made it this far?
Nah
Of course we will!
Grrr...
Great job Aimi! We'll win this time, Shiroi!
Gunyou's team should be out by now
But why can't I see them?
Strange
It's too obviously strange.
